## **IMPORTANT: PLEASE READ CAREFULLY**

### **JUNIOR TEAM SELECTION**

As you can appreciate this is a huge task and it is impossible to keep everyone happy but we do our best and each year we learn new ways to improve in this area. Please read the following information carefully so that you have an understanding of the team selection and assessing process.

### **Junior Fixtures commence 15 March**

#### **U6 – U8 MUSTER**

##### **U6 – U8 MiniRoos**

This age group is not graded, it is a case of friends playing together and having fun while they learn the game. Teams will consist of 5-7 players (4 on field + up to 3 reserves) for U6/U7 players, 9-10 players (7 on the field + up to 3 reserves) for U8s.

If your child wants to play in a particular team with friends then it is important to be present for the muster night when all players are placed in teams. You may like to get together with friends and have your team, coach and manager organised before the Muster, but you must still be present at the Muster so that we can collect all the details. Team selection on Muster night is final; we will not continue to swap players around. Coaches and Managers will also be selected so that players, coaches and manager details can be distributed to everyone in the team.

#### **U9-U11 SSF GRADING**

##### **U9-U11 MiniRoos**

This age group will be 'soft graded' in line with current Football Brisbane policy. Players will be graded into 'Komodos' or 'Goanna' teams by the club. All players are expected to attend the relevant grading session for their age group.

### **JUNIOR COACHING**

We rely on parents from each team to volunteer to coach and manage their team. There is a large support base for coaches available at the Club and Moggill FC will fund Grass Roots, MiniRoos and Junior coaching courses for Junior coaches.

## **COMPETITIVE AGE TEAMS U12-U16 JUNIORS**

All competitive-age players are required to attend grading trials, if required regardless of which team they played for in the previous season. Grading will be run by a selected grading panel made up of experienced coaches and players.

The grading assessment test will consist of:

- Skills test as set down by the club's previous test structure. Coaches will advise the player of the requirements
- Trial games within the same age group. This will be overseen by the grading panel

Once grading has been finalised, teams will be announced and players will be formally introduced to their coach and manager for the season. This will NOT be done on the night of the trial games.

**PLAYERS CODE OF BEHAVIOUR**

- Play by the rules – the official laws of the game.
- Never argue with an official.
- Never abuse an official or other players, deliberately distract or provoke an opponent.
- Work equally hard for yourself and your team.
- Be a good sport and applaud all good plays by your team, your opponents or other teams.
- Treat all players as you would like to be treated.
- Co-operate with your coach, team mates and opponents.
- Play for the fun and enjoyment of the game.

**PARENTS AND SPECTATORS CODE OF BEHAVIOUR**

- Parents should remember that coaches are not child minders and it is a parent's responsibility to supervise their child during training.
- Focus on the child's efforts and performance rather than the final score. This assists the child in setting realistic goals relating to his/her ability.
- Teach children that honest effort is as important as winning, so that the result of each game is accepted without undue disappointment.
- Encourage children to always participate according to the rules.
- Never ridicule, abuse or yell at a child for making a mistake.
- Remember children are involved in organised sport for their enjoyment, not yours.
- Children learn best from example. Applaud all good plays by all players.
- Support all efforts by your club to lift the enjoyment, participation and profile of soccer.
- Recognise the value and importance of the team coaches, managers and administrators. They give freely of their time and resources to provide recreational activities and facilities for all children and deserve your support.
- If you disagree with an official, raise the issue with your manager or club official.
- Never use foul language.

### **COMMITTEE MEMBERS CODE OF BEHAVIOUR**

- Administer the Moggill FC to the highest standards of integrity and honesty.
- Promote Moggill FC and the sport of football.
- Operate transparent and open decision making processes.
- Communicate regularly with club members, supporters and sponsors.
- Provide effective and efficient administration to meet the club's objectives.
- Work for the club not yourself.

### **COACHES CODE OF BEHAVIOUR**

- Be reasonable in your demands on player's time, energy and enthusiasm.
- Teach your players that rules of the sport are mutual agreements that no-one should ever break.
- Whenever possible group players to give a reasonable chance of success.
- Coaches should avoid overplaying the talented players. All players need and deserve equal time.
- Remember that players play for fun and enjoyment.
- Never ridicule or abuse a player.
- Ensure that equipment and facilities are appropriate for the age group.
- Develop team respect for the ability of the opponents as well as for the officials, referees and opposing coaches.
- Follow the advice of a doctor when determining player injuries and determining the recommencement of training.
- Make a commitment to keep yourself informed of sound coaching principles and practices.

### **TEAM OFFICIALS CODE OF BEHAVIOUR**

- Encourage players to follow the rules and abide by the referees decision.
- Be fair and impartial at all times.
- Demonstrate appropriate behaviour.
- Never abuse, harass or use derogatory language.

### **CLUB'S POLICY ON VIDEOING SOCCER GAMES**

Permission should be obtained from the opposition team officials if a parent or supporter wishes to take photographs or video of the match. If permission is not given, please respect and observe the request of the opposition team members. If a parent or carer has serious concerns and does not want their child photographed or videoed they should inform the team manager.

### **All Coaches and Managers must have a Blue Card**

(Issued by Comm. For Children & Young People through the club)

### **SUN-SAFE POLICY**

It is Football Brisbane policy that soft brim hats may be worn during play and given the extreme UV conditions we face in Queensland we ask parents, coaches and managers to please encourage the children to wear a hat during hot weather. Many children wet their hats to help keep them cool. FB have also advised that on hot days teams are able to request the referee split games into quarters in order to rehydrate and rest players; and in extreme weather conditions a team may opt not to play without incurring any point or financial penalty.
