JUNIOR DIRECTOR OF COACHING REPORT

# FOOTBALL IS BACK

*After a tough 2020, our club has increased in players in almost every age group and we are looking to bounce back with success on and off the field in 2021.*

**AT MOGGILL FOOTBALL CLUB, WE BELIEVE IN PROVIDING A POSITIVE AND FRIENDLY LEARNING ENVIRONMENT WHERE PLAYERS ARE CHALLENGED AND ARE ALLOWED TO DEVELOP TECHNICALLY, TACTICALLY, PHYSICALLY AND PSYCHOLOGICALLY.**

2021 promises to be a great season with many both returning and new players registering for the season. Many of our junior teams have begun training in the last week or two which is great to see. Based on current teams we are pleased to have a number of coaches already appointed which is fantastic with only a couple of gaps to appoint. Further coach education is planned for the season with all coaches encouraged to attend grassroots course for ages 5-8 as the starting point for their coach education.

At Moggill Football Club, we believe in providing a positive and friendly learning environment where players are challenged and are allowed to develop technically, tactically, physically and psychologically. Our goal is to not only educate players, but also to let the players have fun. We aim to provide an experience and an environment that promotes ongoing participation in football and a lifelong love for the game.

Let's not forget that football is a game! Our identity as a community based club is not only expressed by the way we play football, but also through our coaching methodology and the relationships we have with our players and their parents. All coaches at Moggill FC are volunteers who dedicate their time and energy to ensure our players are able to participate.

We have many exciting initiatives planned for the season including the return of the Academy programme for ages U/9-U/12 which will be an invitation for 16 players from each age group to join myself and qualified coaches for an 8 week skills program. We also have a holiday program planned for the mid-year school holiday break with some of our Capital League 1 players and our squirts program for U/5s will also relaunch in 2021. We are also on the lookout for ball boys and girls for our Capital League 1 home fixtures. If your child and their team are interested get in touch and we can organise for them to meet our team, walk out with them and help out during the game collecting the balls from around the grounds.

MFC will also offer dedicated goalkeeper training in 2021, so if your son or daughter is interested please discuss with your coach who can then reach out to myself to register the interest.

Look forward to getting around the grounds this season!

Yours in Football,  
Shane Brotherton  
MFC Junior Director of Coaching (JDOC)
