## President's Report - Moggill Football Club 15<sup>th</sup> May 2023

Our Senior teams are the backbone of Moggill Football Club, and we greatly appreciate the passion, skill, and sportsmanship you bring to the field. Your presence not only enhances the overall quality of our matches but also serves as an inspiration for our younger players who aspire to follow in your footsteps.

Your commitment to the club goes beyond the game itself. Your involvement in the MiniRoos and Junior programmes and community events exemplifies the spirit of camaraderie that makes our club special. Your leadership, experience, and support have a profound impact on our players at all levels, and we are immensely grateful for the positive role models you provide.

As we gear up for the season ahead, our focus remains on providing a nurturing and inclusive environment for our players to develop their skills and foster a love for the game. We are committed to supporting our coaches and providing them with the resources they need to help our players reach their full potential. Through training sessions, matches, and various club events, we aim to create lasting memories and forge strong bonds among our members.

I am delighted to announce the formation of a new subcommittee dedicated to improving female participation within our club at all age groups and skill levels. As we strive for inclusivity and equal opportunities, this subcommittee will play a crucial role in creating an environment that fosters growth and development for our female players.

The primary objective of the subcommittee is to enhance female involvement in Moggill Football Club and ensure that every aspiring female player has access to the resources, coaching, and support necessary to excel in the sport. The subcommittee will focus on the following key areas:

- **Recruitment and Outreach:** The subcommittee will actively engage with schools, local communities, and other sporting organisations to encourage more girls and women to join our club. We aim to create a welcoming and inclusive environment that appeals to players of all backgrounds.
- **Skill Development:** The subcommittee will work closely with our coaching staff to develop tailored training programs for female players at all levels. This includes providing specialised coaching sessions, organising skills clinics, and facilitating mentorship opportunities.
- **Team Formation:** We recognise the importance of offering diverse playing opportunities for our female players. The subcommittee will oversee the creation of additional girls' teams and explore opportunities to participate in female-only competitions, leagues, and tournaments.
- **Support and Resources:** Our subcommittee will identify and address any barriers that may hinder female participation, such as financial constraints or access to appropriate facilities and equipment.
- **We will work towards securing sponsorships and partnerships to provide necessary resources and support for our female players.**
